

Work Deposit / Work Credit Information

The Work Credit program is designed to raise funds and to actively involve all parents in the overall operation of the club. Each family is assigned a set number of work credits listed below. Credit is earned by volunteering with club activities throughout the season.

Only one work credit deposit is needed per family based on the athlete with the highest work credit requirement.

To encourage participation by all members, a work credit deposit is required at the beginning of the season. Each credit you earn is applied against your deposit. Your deposit check is un-cashed only if you complete ALL YOUR WORK CREDITS BY May 1, 2017. Otherwise, the check is cashed on or after May 1, 2017 and a refund for the work credits you earned is sent back to you.

Raffle Requirement

Each Family is encouraged to sell 16 raffle tickets for the Banquet/Spring Raffle.

Please circle the program below and send this form along with your work credit check made out to EMSC dated May 1, 2017 to the address below. It is recommended that the work credit check is turned in at Orientation.
